## EDUCATION

---

**Brainware University**  
*Bachelor of Computer Application*  
**CGPA: 8.74**

**Barasat, Kolkata**  
*Expected Graduation, July 2025*

## PROFILE SUMMARY

---

Targeting **Front-End Developer** roles with an organization of high repute with a scope of improving knowledge and further career growth.

- Proficient in building responsive and user-centric web applications with a strong focus on performance, accessibility, and modern design principles.
- Demonstrated ability to manage and deliver projects **efficiently**, from initial planning and design to final deployment and maintenance.
- Committed to **staying updated** with the **latest industry** trends and technologies, continuously enhancing skills to provide innovative solutions

## PROJECTS

---

### Translating Silence

[GitHub](#)

**Tools: Python, Flask, Socket.IO, OpenCV, MediaPipe, HTML, CSS, JavaScript**

Translating Silence is a real-time web application that recognizes Indian Sign Language (ISL) hand gestures and converts them into readable text, promoting inclusive communication for the deaf and hard-of-hearing community across educational, professional, and everyday settings.

### BudgetBuddy

[GitHub](#)

**Tools: HTML, CSS, JavaScript, Node.js, Express.js, MongoDB**

BudgetBuddy is a simple and user-friendly Expense Tracker web application designed to help users manage their finances. It allows users to log their expenses, track income, categorize their spending, and visualize their financial data through reports and charts. Whether you're saving up for a goal or just want to keep an eye on your budget, BudgetBuddy is the perfect solution to take control of your finances.

### K-Install

[Github](#)

**Tools: Bash, Shell Scripting**

KInstall is a lightweight, universal package installer designed for Unix-based systems. It simplifies the installation process by providing a user-friendly interface for managing software packages. Whether you're setting up a new system or managing existing installations, KInstall streamlines the process, making it efficient and straightforward.
